

President's Letter – June 2007

Introduction:

As you may have seen in yesterday's edition of the NLTLOG, my detailed, monthly update to the local resident LVPOA membership will no longer be published by our local newspaper. They will simply provide notification of upcoming monthly Board of Directors' meetings, and some highlights of our agenda. I will continue to provide a detailed monthly update which will be posted on our website which can be found at www.lvpoa.org. **The LVPOA website will therefore become your primary source for obtaining news, financial information and the ongoing status of our many projects and programs. If you need details on how to access this website please call the LVPOA office at 267-2895**

Vehicle Stickers

While we are making significant progress with the implementation of membership stickers and placards for your vehicles we still have a fairly large number of people who are not complying with our request. **Please let me remind you that a vehicle sticker is required by all members who access our parks.** Members can get stickers and placards Monday – Friday 8 AM – 5 PM at the administrative office and from 5.00 p.m. - 9.00 p.m. at the swimming pool. On weekends and holidays stickers and placards will be available at the swimming pool in Bar-K Park from 9.00 a.m. - 9.00 p.m., on Saturday from 1.00 p.m. – 9.00 p.m., on Sunday from 9.00 a.m. - 9.00 p.m. Members are encouraged to get their guest passes ahead of time if possible.

Current LVPOA projects/programs:

- Marinas are now all back in the normal water positions.
- Emerald Ramp is closed due to high water.
- Annual pavement program complete (Marina Ramp parking, and Marina View Park)
- **Clubs are encouraged to submit their reservation requests for single events which fall on weekends in 2008 to the LVPOA Office no later than June 30th.**
- Swimming Pool bathroom upgrade and paint project complete.
- Dogs must be kept on leashes in parks (Member recently bit in Cody)
- Two men who broke into one of our marinas have been identified as a result of pictures being displayed in our shadow boxes.
- New plumbing project under administration building complete.

Policies & Bylaws Update:

We are planning to provide detailed information on our LVPOA Policies & Bylaws update at our next public LVPOA Board of Directors meeting. Since we anticipate a larger audience than normal we are holding this meeting at the K-OAKS facility on July 12th. 7.30 p.m.
